Certificate of Conformity of the Factory Production Control Page 1 of 2

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product:

BS EN 10025 2004 Parts 2 and 3

Placed on the market under the name of

NUCOR Steel - Hertford County

and produced in the manufacturing plant(s) at

1505 River Road, Cofield, North Carolina, United States, 27922

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard(s)

BS EN 10025-1: 2004

under system 2+ are applied and that the factory production control fulfills all the prescribed requirements set out above.

Page 2 of this certificate details the harmonised product standard and product parameters and shall form a part of this Certificate.

This Certificate will remain valid as long as the test methods and/or factory production control requirements included in the harmonised standard used to assess the performance of the declared characteristics, do not change, and the product and the manufacturing conditions in the plant are not modified significantly. This Certificate is uncontrolled when printed. To check the validity of this Certificate please visit www.ukcares.com or contact us on +44 1732 450000.
